# CALL FOR PAPERS

International Conference on  
Computer Applications Technology

Guangzhou, China | July 14-16, 2022

[www.ccat.org](http://www.ccat.org)

International Conference on Computer Applications Technology (CCAT 2022) provides a forum for timely information on the innovative uses of computer, Internet, and software tools. Besides new courses and software tools, CCAT also covers areas that support the integration of technology-based modules in the engineering curriculum and promotes discussion of the assessment and dissemination issues associated with these new implementation methods.
